

Is Your Leadership Style Working for You?

Join us for a day of focus on your unique leadership style where we'll share "best of" practices and use a self-assessment tool to uncover your strengths and identify areas to develop. You will create a personalized action plan to...

- Be a more effective leader
- Feel confident in your management abilities
- Build credibility and trust
- Feel inspired to build a team with your staff
- Create a fun work environment and be more productive!!
